

## Capability Statement

### Summary

TeKnoFirm is an award-winning provider of strategic technology and business solutions to the Federal Government. Our services are organized in five main areas: IT Enterprise Architecture, Application/system development, Program Management, Staff Augmentation and Back office Business processing.

Our clients recognize our professional work, customer service and innovative solutions and ideas we provide to them.

As a Small Disadvantage Business with 8(a)/SDB certification from SBA and SWaM/DBE/MBE certification from the state of Virginia, TeKnoFirm is committed to excellence and creating innovative and flexible solutions for our Federal and State clients. TeKnoFirm is incorporated in 1999 under small business with 2 offices in DC metro area.

We are committed to progressive, cost effective solution focused on helping agencies and companies to make competitive difference in today's economy. With our professional ability to use quantitative matrices to track and measure quality and productivity, we are determined to demonstrate added value for our customers.
